

The Plainwell Arts Council

Promoting Arts in Your Community

The Arts Council was formed in 1985 with a small group of local artists and art supporters who desired to create a way for visual and performing artists a means to display their work. The group sponsored a series of fine art fairs in the beginning, moved to Aries Cafe, where the Council began showcasing local, regional and national artists that lasted almost 20 years.

To date, continuing series of art exhibits has featured the work of over 300 artists and showcased the performance of over 100 musicians at artist receptions. Over the years, the Council has matured into an organization that offers a multifaceted variety of visual and performing arts events in the the region.
